

July 2011

Dear Members,

The Clavet Community Arena Association will be instituting a fee structure change.

The CCAA has recently made the decision to eliminate the \$50 arena enhancement fee for the upcoming 2011/2012 season.

Effective the 2011/2012 season, the bingo fee will now be required at registration; payable to the 'Clavet Arena' and dated for November 1/2011. Every player or skater will be required to work 2 bingos for the Arena, unless otherwise advised. Payment of the bingo fee (\$80 per required bingo) is mandatory prior to registering your child for hockey or skating club. If your bingo requirements are met by the registration date, then the bingo fee cheque is not required. If your bingo requirements are completed by October 31/2011, your cheque will not be cashed and will be returned to you. In all other instances your November 1/2011 bingo fee cheque will be cashed on that date. If all bingo requirements are met by March 31/2012, a cheque will be issued for the re-imbusement of the bingo fee paid at registration.

Please note that your skater will not be allowed on the ice until this fee has been received.

Options for choosing not to work bingos are still available. Please inquire about these with either Wendy Stevenson at 373-2713 for hockey or Bev Monson at 384-6444 for skating.

Bingo postings for the summer are available on the website for both the Clavet Minor Hockey Association and the Clavet Skating Club.

Thank you for your continued support.

Sincerely,

Clavet Community Arena Association

Marty Cummins – President CCAA
